

*Meet Our Speaker
Sue Ann Haberly*

Finding joy in the journey is the thread that runs through Sue's presentations.

For 21 years Sue has spear-headed Inspirational Women's Conferences. Her passion is for women to get connected to the right source and pointing them in the right direction. Being an ordained minister, she weaves humor through her personal stories and encourages women to find Joy in the Journey, called life.

Sue's enthusiastic personality comes through as she shares her testimony. As a high school cheerleader she married her football sweetheart, and has been married for over 35 years. She and her husband, Rick, have two adult sons and they enjoy football, hiking, scuba diving, jet-skiing, river rafting and making memories together.

Sue loves to travel and the adventure it brings. Helping those who are less fortunate in a foreign country has helped mold Sue into the woman she is today.
